Thank You

The class of 2011 would like to express our thanks and appreciation to a number of staff and faculty members who have made our four years here at Clinton High School memorable.

We would like to thank Mr. Hastings and Mrs. Kach for running an amazing school. We will surely miss seeing you around the halls of CHS. To the guidance department, for helping us plan our schedules and especially for your help during our senior year. We couldn't have done everything without the help and support from Mrs. DiMeco, Mrs. Solar and Mrs. Pupecki. To our superintendent, Mr. Ingano, for always being there to support us in everything we do and for keeping us all on track. To Mrs. McDonald, this yearbook never would have been able to happen if it wasn't for your organization, assistance and patience in creating it.

And finally, we would like to thank our class advisors. Thank you to Mrs. Frisch, who stuck with us all four years, always guiding and helping us through each obstacle we came across. Thank you to Mr. Howard who was our class advisor for our first two years of high school, and thank you to Mr. Ogborn who stepped in and as our class advisor for our last two years of high school. We would never have been able to run such a successful class without all of your help, dedication and faith in us. Thank you so much.

Step Up to Excellence

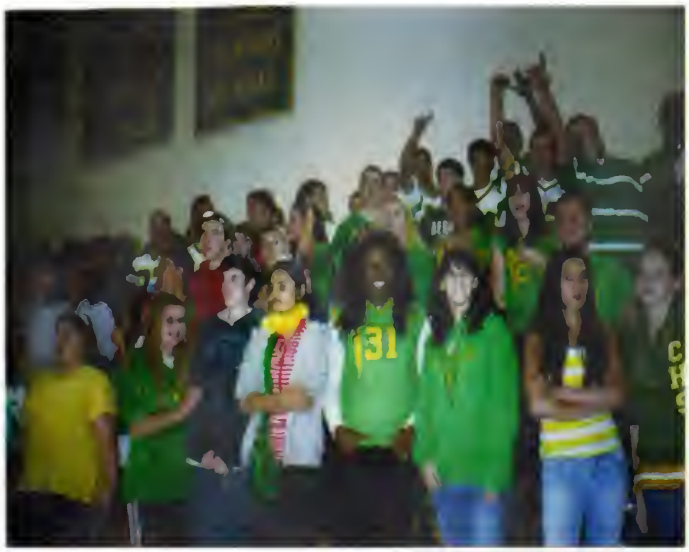
Freshman Year 2007-2008

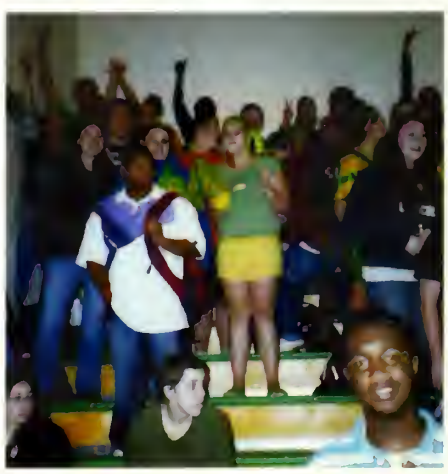
We became official high school students in August 2007. It was time to find our way around as Clinton High's latest batch of "dirt." We became involved in an array of clubs and sports, and were the first freshman class to participate in the Junior Mentor Freshman Mentee Program. Mrs. Frisch and Mr. Howard introduced themselves as our class advisors at our first class meeting in the auditorium. Our class elected Jonathan Arnone as President, Brian McDonald as Vice President, Kärin Radock as Secretary and Brianna Bufton as Treasurer.

Our Eighth Grade Class picture

Sophomore Year 2008-2009

We would begin the year with a new Student Council Advisor, Mr. Morrison, who always kept us on our toes. He made sure we still had a fun time in February during his invented "99 Minutes of Vacation" on the Friday of the would-have-been vacation we lost to the ice storm of 2008. In March, Gael Force took home gold at the Connecticut Regional. In December, Clinton High lost a beloved student, teammate and friend, Chris Reusch, who we will forever carry in our hearts.





Junior Year 2009-2010

We returned to school in the fall of 2009 as upperclassmen. We elected Jessica Onnembo as Class President, Brian McDonald as Vice President, Kärin Radock as Secretary, and Brianna Bufton as Treasurer. After an incredible season, the football team won the Super Bowl! Following the win, it was time to start dancing. First, we enjoyed our Autumn themed Homecoming in October, at the Town Hall. Then, in May, our Monte Carlo themed Prom was held at Cyprian Keyes, where we were mesmerized by Prom King Austin Ball's fancy footwork. Then we met up at the school to head over to the Wayside Tennis and Racquet Club in Marlborough for our after-prom party. Junior year was over in a flash, and we couldn't wait to be Seniors.

Senior Year 2010-2011

We were extremely anxious when we returned to school on August 31, 2010 to begin our final year at Clinton High. We elected Jonathan Arnone as Class President, Brian McDonald as Vice President, Karin Radock as Secretary, and Brianna Bufton as Treasurer. Within the excitement of winning the Super Bowl for the second year in a row, and completing college applications, we finally won Spirit Week! Through the many memories made and final senior activities, we couldn't wait for graduation day on June 4, 2011. We came together for the last time in cap and gown, knowing that CHS will always be a part of us.

In My Life

There are places I'll remember
All my life though some have changed
Some forever not for better
Some have gone and some remain
All these places had their moments
With lovers and friends I still can recall
Some are dead and some are living
In my life I've loved them all

But of all these friends and lovers
There is no one compares with you
And these memories lose their meaning
When I think of love as something new
Though I know I'll never lose affection
For people and things that went before
I know I'll often stop and think about
them
In my life I love you more

Though I know I'll never lose affection
For people and things that went before
I know I'll often stop and think about
them
In my life I love you more
In my life I love you more

Spirit Week

Spirit week 2010 was no easy win and a close competition with the class of 2013. Throughout the week everyone was waiting to see our class fail, until the gym events came around. Down by almost 30 points, we made an incredible come back to give us the title of Spirit Week Champions by just one point. The anticipation and suspense of the tug-of-war was our only shot to win and when the ribbon crossed the line, the seniors crowded the gym floor with victory.

Prom

On May 14, 2009, our class arrived at Cyprian Keyes Golf Club in Boylston for our much antiei-pated Junior Prom. The weather that evening was nothing less than perfect while we went to Central Park and smiled for the camera. The paparazzi, led by Graham Entwistle, snapped our pictures as we made our way down the red carpet and onto the dance floor. As the dancing eame to an end, announced was Queen Jaimee Arsenault and King Austin Ball. However; the night had not officially ended when the music stopped as we boarded a bus to our post-prom party at the Wayside Tennis and Racquet Club in Marlborough, chaperoned by parents and teachers.

Homecoming

During October of our junior year, we celebrated our Homecoming. The Town Hall was all decked out in red, yellow, and brown, and the theme of the night was "Autumn". There was never a dull moment as students from all four grades sang and danced, and the crowd came together to cheer on Senior Austin Ball as he performed his traditional robot dance. The night ended with the crowning of the King Jonathan Arnone, and Queen Maria Franco. This was followed by the last dance for everyone, and a group picture of the juniors as we finished our homecoming dance.

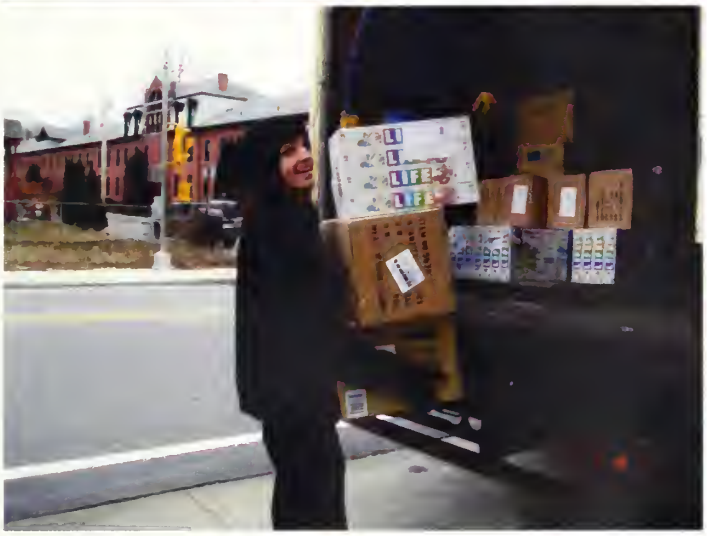
Excel Club

The Clinton High School Excel Club displayed its altruism through a variety of community service opportunities. Led by Mrs. Solar and Mr. Ingano, the group volunteered annually at Clinton's Olde Home Day ,the Halloween Walk, Operation Christmas Child, Relay for Life, The Tribute Road Race, the Senior Social, Clean-up Days, and various other activities that benefited the lives of others. As the largest Excel Club in northeastern US, the Clinton High School Excel Club truly made a impact.

The Excel Club Officers are: **(L-R)** Garrett Burns, Treasurer, Jonathan Arnone , Secretary, Tom Heighton ,President, Heather Rotti , Vice President, and Marissa Whitney, Historian.

Students from all grades involved in Excel participated in The Relay For Life benefit. These determined students waited until the sun went down and ran/ walked in the relay to raise money for cancer research.



Step-Up To Excellence

Step Up to Excellence is a small group of students chosen during a competitive selection process their sophomore year, who are each paired with a mentor from Clinton High School. The students and their mentors form strong bonds and through group events, community service projects, and two summer trips, these students not only learn how to broaden their horizons, but learn more about themselves than they ever thought possible. This year's small graduating class is made up of three students, Elisabeth Baer, Heidi Bevilacqua and Christopher Segu. As a class, they organized a "Basketball Day" at Clinton High School for middle school students, and attended many group events including the Blue Man Group Show, team bowling, potluck dinners and group trivia. Through several group dinners and individual speeches, these students have learned public-speaking skills that will serve them well in the future, along with skills such as decision-making, time management, and leadership. Elisabeth, Heidi, and Christopher, have ventured out to summer trips that have covered topics such as engineering, creative writing, psychology, community service projects, and basketball. They have also continued to build a strong connection between Clinton High School and Camp Sunshine, a retreat in Casco, Maine for children with life-threatening illnesses. Heidi and Elisabeth have attended the camp numerous times as volunteer counselors.

CHS Talent Show

FIRST Robotics

As the Gael Force team packaged up our robot on February 22nd, the 2011 drive team was announced to a large crowd of students, mentors, community members and Nypro employees. The primary drive team selected was Nick Rixford, Heidi Bevilacqua and Gianna Moscillo, while the back up drive team was made up of Brandon Duchnowski, Will Segelhorst and Hasan Sabri. We first competed at the BAE Granite State Regional in Manchester, NH during the first weekend of March. After ending the day in 15th place of 53 teams, we got chosen by the 6th seeded alliance to move on to quarterfinals. Although a regional win wasn't in the stars for Gael Force, we didn't go home empty handed. We took home the Chrysler Team Spirit Award, celebrating extraordinary enthusiasm and spirit, and the judges even announced our amazing fans that travel by bus to the regionals to cheer us on. During the first weekend in April, we competed in Hartford, CT at the Northeast Utilities *FIRST* Connecticut Regional. After having a lot of tough luck during qualification rounds, we ended the day in 40th place of 58 teams. We got picked by the 8th seeded alliance and faced the number one seeded team during the quarterfinals where we fell short by only 8 points. As the team moved on to Nationals in St. Louis, Missouri, the competition got much harder and the alliance pairings got more and more difficult to work with. Although Gael Force was given an extremely tough match schedule, the drive team did absolutely everything they could to remain in the competition until the very end. We were not selected to move on to the finals, but had fun at the Gateway Arch in St. Louis. We even attended a free Black Eyed Peas concert put on by FIRST, and the drive team met Morgan Freeman as he learned more about the program. All in all, the year wrapped up with smiles and tears as the three seniors, Elisabeth Baer, Heidi Bevilacqua and Nick Rixford played their last match with Gael Force.

The Revolution

Clinton High School's first news broadcast program, The Revolution, debuted in March with over 10,000 views within its opening week. The program's popularity continued throughout its five episode season, led by anchors Benjamin Beyeler and Garrett Burns with special appearances of Brett Gannon and Shayne O'Malley. Cody Prudhomme and other members of Mr. Morrison's Greenlite Studios were responsible for editing and publishing The Revolution every two weeks onto the school's website.

Led by co-captains Gustavo Bispo, Oscar Guerra, and Matt Royal, the young team struggled to keep up with the competition. With a new coach, it was a new start to the season. Due to injuries, the starting line-up consisted of 3 of the 6 seniors for the majority of the season. Senior players were Jose Ayala, Oscar Guerra, Sergio Colon, Christopher Segu, Gustavo Bispo and Jorge Martinez. Finishing with a record of 4-10-2 , the Clinton boys were unable to qualify for district play this year; however, the future looks promising for the boys' soccer team.

Although the Lady Gaels Field Hockey team didn't have a successful season this year, the commitment, dedication and attitude of the team never declined. Led by captains Brenda Martin, Lauren Crossman and Danielle Pratt, the team was always on track along with our other two seniors Emily Price and Jenna Giansanti. From apple picking to going to see a college level game, their team bonding never subsided. As the team rebuilds, you are sure to be successful.

~ Coach Archie Cataldi ~

Clinton High School Class of 1946

Back in 1975, Coach Cataldi revitalized an already great football program and brought it to another level. Coach passed away unexpectedly on February 2, 2011 leaving a void in the Central Mass football community that will never be filled. His 18 League Championships, and 7 Super Bowls; winning 6, is a testament of how hard his teams played for him. Even after retiring in 2007, he was still very much involved in our Football Program, coming up watching practice, our home games, and taking the bus with us on our away games. How appropriate is it that his last time on the sideline with the Gaels was December 4, 2010, this years Super Bowl win over Hudson.

So for this year's Seniors...you are the true end to Coach Cataldi's Legacy.

February 28, 1928 - February 2, 2011

Superbowl

Clinton won its 8th Superbowl in the last 15 years, and second in a row, with a thrilling 22-21 victory over arch rival Hudson High School. Down 21-6 late in the second quarter, Joe Rice returned the kickoff 82 yards for a Gael touch down before the half ended.

Hudson had many opportunities to put the game away but as always the resilient Gaels kept Hudson out of their end zone for the rest of the game with 3 goal line stands and 2 other stops in the Red Zone giving its offense a chance to win the game.

Two late touchdowns by Fullback Phil Nobrega and a gutsy 2 point conversion call were all the green and gold needed to head out of Worcester State and back to town with Superbowl win #8.

Golf

This year the Clinton Golf team was an overall success. We qualified for Districts for the first time in three years. We were led by two senior Captains: John Kilcoyne, and Austin Ball, finishing the season with an overall record of 12-4, second in the Mid Wach C. Although we did not fare well at districts as a whole, our senior Captain Austin Ball qualified for states and then went on to place third. We had two mid Wach C all stars: Austin Ball and a freshman, Josh Bahnick. Austin also was a Telegram and Gazette Super Team All– Star..

Girls' Volleyball

With a record of 3-13, you would probably think that the word "discouraged" was part of this team's vocabulary. However, this was proven untrue through the team's persistence, motivation, and determination. The team served its way through a memorable and rewarding season. Co-Captains Elizabeth Feliz and Ashley Lyons, and seniors Kärin Raddock, Brittany Salvi, Krystal Velez, Maria Franco, Stephanie Vickers, and exchange student from Italy, Anna Pistoni , set a good example and brought together the team for the 2010 season. The team's strong friendships both on and off the court allowed the Lady Gaels to bump, set, and spike their way through an interesting season.

The Clinton-Nashoba Cooperative Wresting team finished with a record of 13-3. The Clinton Captain was senior Joseph McDermott. With his fourth and final year as a team member, he lead the younger classmen by example and determination. The team practiced in the Nashoba High School gym several times a week to get ready for their matches. The two schools worked great together.

With three returning starters and a rebuilding year, the Clinton Lady Gaels basketball team didn't do as well as previous years. Led by captains Brenda Martin, Nicole Dylewicz, and Lauren Byron the Lady Gaels record of 7-13 overall. Lauren Byron scored her 1,000 points this season. Congratulations to the seniors, Emily Price, Brenda Martin, Nicole Dylewicz and Krystal Velez for their dedication and leadership.

Boys' Basketball

Although the Gaels' Varsity Basketball team kicked off their season with a loss against long time rival Nashoba Regional High School, this setback is negligible compared to their otherwise highly successful season. Led by captains Brendan Cutler, Sergio Colón and Cody Trautner, the Gaels then managed to spark a run of five straight wins before dropping its second loss to Gardner High School. However, once again recoiling from a minor setback, the team continued to win nine of the following twelve games and completed the season with an honorable record of 15-4, qualifying yet again for the district games and the annual Clark Tournament.

Baseball

This years 2011 Baseball team really made our school and community very proud as they compiled a 13-7 record, winning 7 in a row at the end of the season to host a district game at the Veteran's Complex. The Gaels lost to Millbury 3-1, but the loss did not dampen the spirits of this years team. Led by Senior Captains Brendan Cutler, Jeremy Nelson, and Joe Rice, the 3 players exemplified true Gael spirit as they led our team by example. At times this year, the Gael nine had a freshman and 3 sophomores in the lineup at one time which tells you the future remains bright for Gael baseball. Four players made the All-Star Team: seniors Brendan Cutler and Joe Rice, junior Colby Peete and sophomore Matt Notaro, for interim Head Coach Tony Gannon's Gael Squad.

The team featured 35 runners including 20 underclassmen. Throughout the season there were many standout performances. Junior Michael Bradley set a new Clinton High school record in the Pole Vault clearing 12' 6" placed at districts and qualified for the state meet. The 4 by 100 relay team made up of Seniors Jonathan Arnone and Nick Rixford, Junior Luis Feliz, and Sophomore Peres Nerette also placed at the district meet. The highlight of the season was the consistent superior performance of Senior Matt Thompson in the discus. Matt won districts, was runner up at the state meet and was one of the first Clinton athletes to compete in the New England High School Track and Field Championships. Matt finished 5th at the New England meet.

National Honor Society

On May 10, 2011, the seventieth National Honor Society ceremony was held in the Clinton High School auditorium, inducting two juniors and thirty-five sophomores. Speakers for the evening included Superintendent Terry Ingano, Principal James Hastings, President of the Rotary Club Jean Sifleet, and NHS President Jonathan Arnone. The four principles of the National Honor Society, Character, Scholarship, Leadership, and Service, were symbolized by the lighting of the candles. NHS junior Historian Michael Bradley, Secretary Cailin Ball, Vice President Garrett Burns, and Treasurer Jessica Onnembo elaborated upon these four tenets.

Following the ceremony, the Rotary Club sponsored a Senior dinner at the Chocksett Inn. The guest speaker was Mr. Stephen Quill, who got a standing ovation from seniors and Rotary members as he finished his inspirational speech, which concluded the seniors time in National Honor Society.

On Wednesday, June 8, we wore our green and gold caps and gowns for the first time. Our greeting and introduction was presented by our Class President, Jonathan Arnone. Our guest speaker was Dr. Paulett Seymour-Route from Clinton High School Class of 1971. We then watched the Class of 2011 Video Production produced by Mr. Paul Morrison and students Benjamin Beyeler, Elisabeth Baer, Nick Rixford, Heidi Bevilacqua, Jonathan Arnone, and Tylor Maddocks. We concluded by singing our class song "All My Life" written by John Lennon and the Beatles. We were one step closer to graduating from Clinton High School. We had a wonderful dinner which was followed by an evening of dancing throughout the night. Jose Mercedes lit up the dance floor to begin the evening and before we knew it the night drew to a close. Dear Cody,
(a.k.a. Code-man ---- to his family and friends)

As you make a new beginning in your life, Code-man
be aware of important things you didn't learn in school:

As you pursue your dreams, remember to take time to
help and serve others even if doing so slows you down a little.
As you explore and develop your unique talents, remain humble,
realizing that your special abilities are gifts from God.
As life hands you challenges, welcome them as ways to become
smarter and stronger. As you acquire material things, know that
your most important possessions are honesty and integrity, and
the desire to make a difference.
Congratulations, Code-man.

May your new path take you where you want to go and bring you
pleasant surprises!

Thank you Mrs. McDonald!

Mrs. McDonald,

Your encouragement, creativity and flexibility throughout the design process of the yearbook has been a crucial part of its final completion. Although the members of the committee started off a bit hesitant toward editing the yearbook on their own time without an adamant concept to work by, you supported them by providing examples from previous years while still encouraging them to add their own personal flare to their work. Even while being embroiled into the stress of perpetually approaching deadlines, you maintained your composure and flexibility throughout the year and compassionately oversaw the conclusion of the yearbook that is spiritedly read today.

Thank you for your Guidance,
The Yearbook Committee
